

## What is GreenSystem?

GreenSystem is ChemStation's sustainable line of products combined with a delivery method that reduces the health and environmental impacts compared to similar products and services used for the same purpose. Our GreenSystem products are specifically formulated to:

- Clean without harming the environment
- Use environmentally-preferred, biodegradable products that perform equally as well and are as cost-effective as their traditional counterparts
- Reduce unnecessary hazardous cleaning chemical exposures on health and the environment
- Provide a concentrated product combined with dilution control to help reduce waste and chemical contact for improved worker safety

More information can be found on our [GreenSystem Flyer](#). Ask your ChemStation Sales Representative about our GreenSystem products!

## Preventing Workplace Slips, Trips, and Falls

According to the U.S. Department of Labor, slips, trips, and falls make up a large part of general industry accidents. There are many different situations that may cause slips, trips, and falls, and [reliableplant.com](#) offers the following tips to help prevent them from happening:

- Create good housekeeping practices
- Reduce wet or slippery surfaces
- Avoid creating obstacles in aisles and walkways
- Create and maintain proper lighting
- Wear proper shoes
- Control individual behavior (focus, don't hurry, be careful and alert, pay attention)

By following these guidelines, you can help create a safer working environment.

## We Want Your Feedback

ChemStation Sanitation Institute (CSI) is designed to educate Food Processing Manufacturers and their sanitation-related personnel about the ever-changing world of Food Safety and Sanitation.

ChemStation International plans to host another ChemStation Sanitation Institute this fall and we would love to hear from you!

Your feedback is instrumental in helping us build a meaningful and compelling agenda for YOU!

This event will be held in September 2022 in Chicago. Please complete this 2-minute survey at your convenience. Thank you!
