

ChemStation Institute: Food Safety & Sanitation Summit

Please join us October 25-27, 2023 at the Loews Atlanta Hotel for the ChemStation Institute: Food Safety & Sanitation Summit. This summit is designed to educate food processing manufacturers, quality assurance and sanitation personnel about the ever changing world of food safety and sanitation. The conference will include hands on workshops led by industry leaders. A workshop on Food Safety Culture program development and root cause analysis tools will be held by Dr. Yvonne Masters, Director of Food Safety and Quality Policy of John B. Sanfilippo & Sons, Inc., and Deb Kane, Vice President of Food Safety, Quality, EHSS and Regulatory at J&J Snacks. An in-depth sanitation workshop will be led by Neil Bogart, President of Bogart Food Safety & Sanitation Associates, Inc.

REGISTRATION FEE

Early Bird by August 11, 2023 – \$750 | After August 11, 2023 – \$850
On or after September 22, 2023 – \$900

Registration includes meals, all sessions and all scheduled activities associated with CSI 2023. Lodging, flight and transportation fees are not included. Please contact your local ChemStation Representative for details.

Safe + Sound Week 2023

Safe + Sound Week is a nationwide event held each August that recognizes the successes of workplace health and safety programs and offers information and ideas on how to keep America's workers safe. This year's Safe + Sound Week is August 7-13 and will provide resources for businesses on mental health and well-being. These materials will be posted before the start of Safe + Sound Week.

Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started, energize an existing one, or provide a chance to recognize your safety successes.

To learn more visit www.osha.gov/safeandsoundweek. While there, check out their event archive for information on previous years' engagement.

ChemStation Eagle Team

Since 1977, the eagle has been a mascot at ChemStation.

From employees achieving the prestigious Eagle Award, to showcasing the giant eagle statue outside of ChemStation HQ, eagles have keen vision, metaphorically conveying clarity, foresight, and precision, all of which are core values at ChemStation.

At "the top of the food chain," ChemStation's Eagle Team are your personal food safety experts supplying you with industry knowledge and sanitation solutions customized for you.

Want to learn more? Contact the Eagle Team at eagleteam@chemstation.com.

Winning doesn't always mean being first. Winning means you're doing better that you've done before.
